

ALL ALONE

V1 Here I am again
Stranded on an island
with no defense
Against the insecurity
Inside this heart of
mine

B Memories of pain
Rising like a flood
Tearing me apart
Tearing me apart

And

C x 1

C Every time I try
To get back on my feet
Gravity denies me
Everything I know
Everytime I try
To get back on my feet
Gravity reminds me
That I'm all alone
That I'm all alone

That I'm all
alone

V2 Fear has found me now
I can't fight this feeling
It's pulling me down
Into the depths of
My despair
Inside this heart of
mine

Here I am
again
Stranded on
an island

with no x 3
defense
