Short

Be wary of your shadow.

Shadowary makes alternative melodic rock with angsty lyrics.

“Music is an outlet for my frustration and anger. I want people to be inspired and know that they’re not alone,” said Benny Ng, frontman of the Sydney rock band.

Medium

Be wary of your shadow.

Shadowary - Sydney alternative rock band - makes angst-ridden rock music that infuses synthesized sonic creations with electric and acoustic instruments. Honest lyrics set to catchy melodies on a backdrop of interwoven sounds.

Frontman Benny Ng wrote and co-produced four songs that would form the debut EP (titled MANIFEST). Citing Linkin Park and Trifonic as his influences, Benny wrote the songs based on his life experiences.

“Writing and singing songs is how I deal with my emotions. Music gave me an outlet for my frustration and anger. I want to do the same for others. I want people to be inspired by our music and know that they’re not alone,” Benny said.

MANIFEST - Shadowary’s debut EP is available on all major streaming platforms.

Long

Be wary of your shadow.

Everyone has light and dark sides - our choices determine who we are.

Formed by Benny Ng and based in Sydney, Australia, Shadowary makes angst-ridden melodic rock music that infuses synthesized sonic creations with electric and acoustic instruments. Honest lyrics set to catchy melodies on a backdrop of interwoven sounds - Benny's soaring and gritty vocals inject raw passion into the songs.

Benny wrote and co-produced four songs that would form the debut EP of Shadowary. Citing Linkin Park and Trifonic as his influences, Benny wrote the songs based on his life experiences.

When Chester Bennington (from Linkin Park) passed away, Benny was devastated.

Ever since hearing "Points of Authority" by Linkin Park on the radio when he was 13, Benny knew he wanted to write songs to inspire others.

"Writing and singing songs is how I deal with my emotions. Music gave me an outlet for my frustration and anger. I want to do the same for others. I want people to be inspired by our music and know that they're not alone," Benny said.

After penning "All Alone" and posting the home-recorded demo onto SoundCloud, Shadowary was discovered by renowned Sydney producer, Leon Berger (Hit Music Producers Inc). Impressed by what he heard, Leon offered to produce a 4-track EP for Shadowary.

A crowdfunding campaign was launched in September 2018 to raise funds for the EP. As of December 2018, the EP has now been finished with the help of their generous supporters. It will be called MANIFEST - a fitting name as the EP was 'manifested' into reality with the help of Shadowary's loyal fans.

MANIFEST - Shadowary's debut album is now available on all major streaming platforms.

“All Alone is an amazing song. I once thought the music scene of Sydney wasn't overly good, but after I listened to All Alone, faith in indie, Australian music was revitalised. The song is brilliant. I love the metaphor of being stuck on an island. It's a great metaphor about the sadness that Benny is experiencing. It's a great song!” - Thierry Krause
