

## **EPK - Shadowary**

### **Pitch**

Melodic angsty rock tattooed with sound designs.

### **Short Bio**

*Be wary of your shadow.*

Shadowary makes melodic angsty rock music.

Honest lyrics set to catchy melodies on a backdrop of interwoven sounds – Benny's soaring, gritty vocals inject raw passion into the songs.

Growing up, Benny had always wanted to belong. To be part of the group, part of the team.

Angst and frustration built up as the sense of isolation grew day after day.

Music became his outlet for pent-up emotions boiling under the surface.

“Writing and singing songs is how I deal with my emotions. Music gave me an outlet for my frustration and anger. I want to do the same for others. I want people to be inspired by our music and know that they're not alone,” Benny said.

Citing Linkin Park as his main influence, Benny is actively writing new music.

The recruitment of band members is underway to complete the lineup.

*ALL ALONE* is Shadowary's debut single.

*MANIFEST* is Shadowary's debut EP.

“All Alone is an amazing song. I once thought the music scene of Sydney wasn't overly good, but after I listened to All Alone, faith in indie, Australian music was revitalised. The song is brilliant. I love the metaphor of being stuck on an island. It's a great metaphor about the sadness that Benny is experiencing. It's a great song!” - Thierry Krause

“Absolutely amazing song. Reminds me of Linkin Park so much and despite its sad lyrics, make me feel like I’m NOT alone. Have it on repeat now.” - Luke
