

Finding My Way

V1

It's getting dark but
I'm not afraid
'Cause I see a spark
That will never fade
I'm marching on
In the growing shade
To find my way back home

V2

I look around
But there's no sign
Of all that used to make
Perfect sense to me
No turning back,
'Cause the bridge is burnt
Like a soldier on a mission
I'll find my way
I'll find my way
I'll find my way back home

B

Letting go of all the things I know
Is the hardest thing to do
Letting go of all the things I know
Is the hardest thing to do

V3

Beyond my pain
I can see a flame
An undying light
Dancing in the rain
No turning back
'Cause the bridge is burnt
Like a soldier on a mission
I'll find my way
I'll find my way
I'll find my way back home

B

Letting go of all the things I know x 3
Is the hardest thing to do

oh oh hey... x 2
